

# How Good It Is

By: Joe Buchanan

I remember that I was there  
On that mountain, hey, long ago  
And I have been told that you were with me  
Brothers and sisters, now weren't we all?

Well I remember, there was thunder  
On that mountain from the Lord  
And we carry in us  
all the memories  
Of those words that came before

Hineh ma tov uma na'im  
Shevet achim gam yachad(x3)
